Horse Racing has been
Bryan's life for over 50 years!

Bryan commenced his race calling
in the 1970s and called continuously
on various radio stations until he retired
after the Spring Carnival in 2017.

He called 29 Melbourne Cups

Famously Bryan called his own horse,
Fields of Omagh, in its 2 Cox Plate wins and
called Better Loosen Up's win in the Japan Cup.

He has received many awards including Most
Popular Race Caller and been involved in many
other aspects of the horse racing industry.

Come along and hear all about them..
